

# **SC YA** SINGAPORE CONTEMPORARY YOUNG ARTISTS

**comprises of artists working and playing with and for the community. By sharing our knowledge of contemporary art alongside craft skills, we empower the city to think visually and conceptually to create an enriching, participatory culture.**

**We conduct art workshops with a social angle for CSR programs, schools, community art outreach programs and one-to-one or group coaching in various art forms across media.**

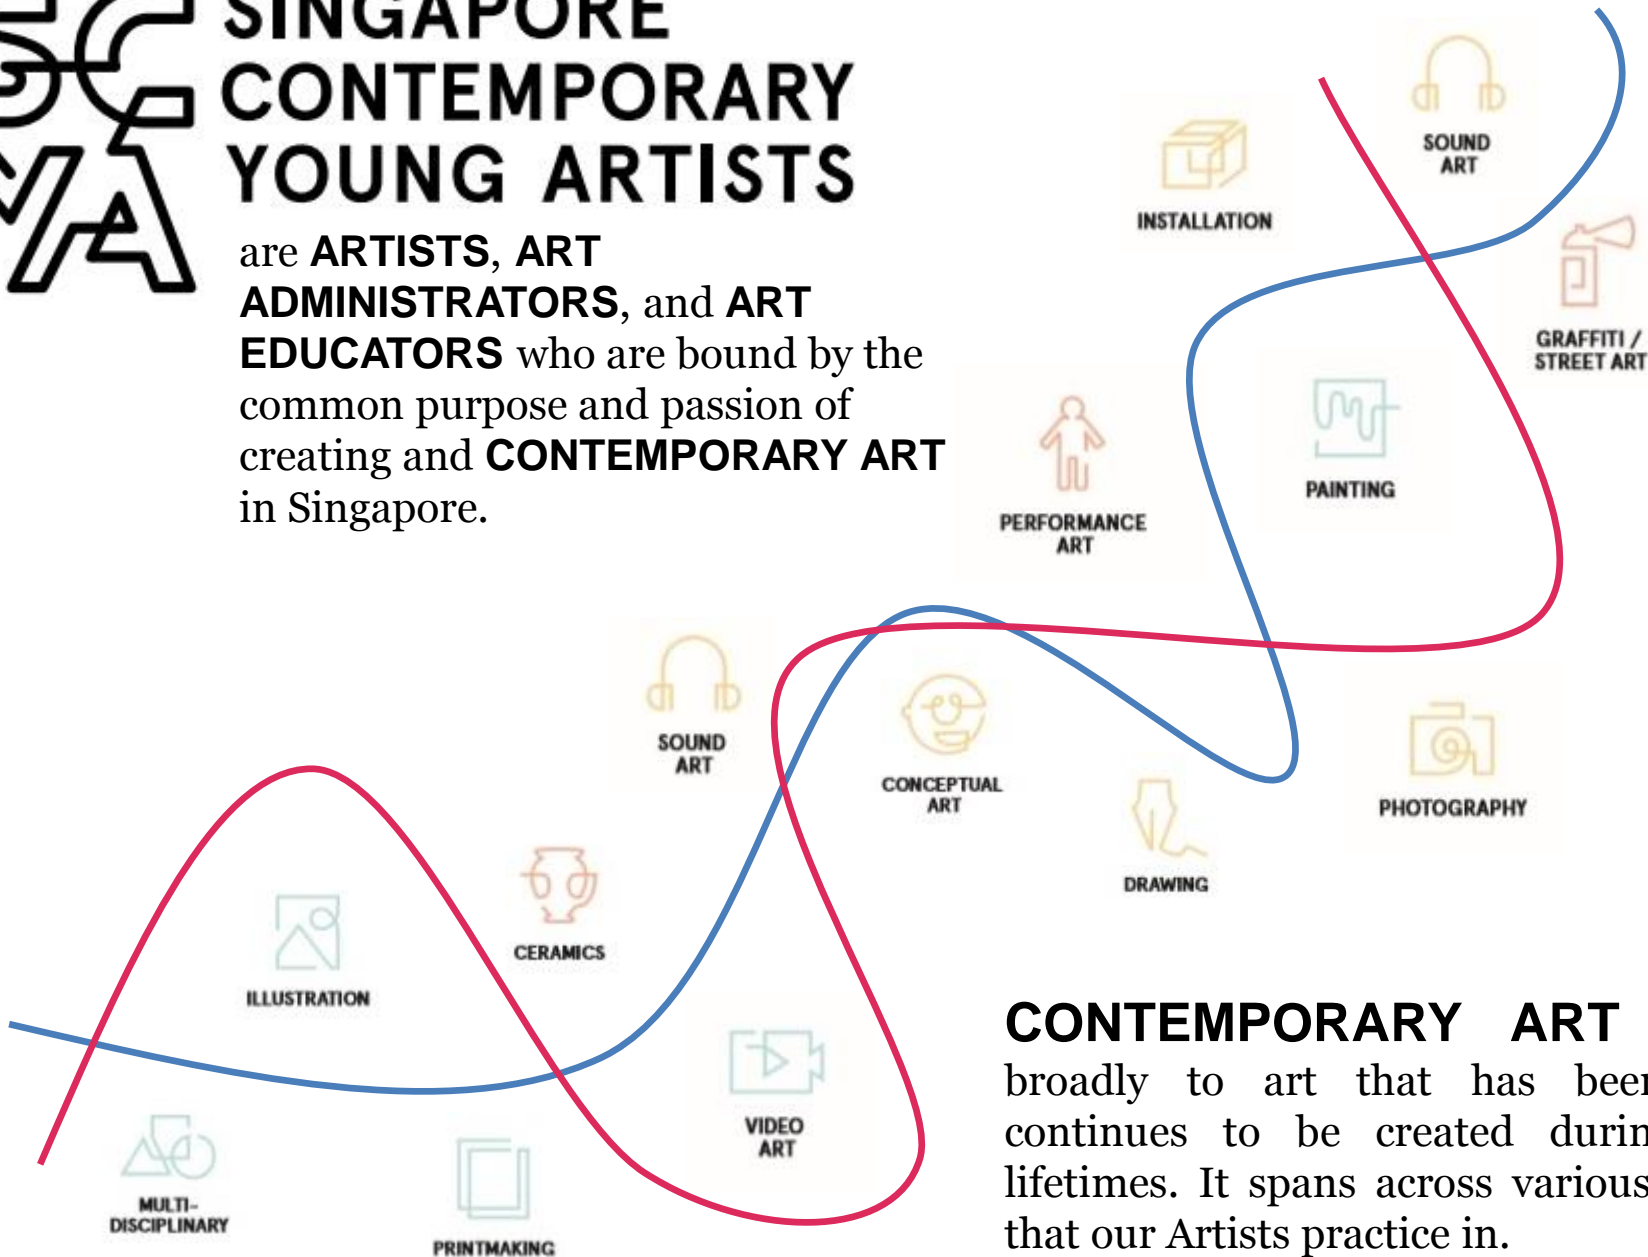

**We also have the expertise to provide consultation and initiate commissions of small to large-scale artworks, art installations, murals, art exhibitions & auctions.**

# SINGAPORE CONTEMPORARY YOUNG ARTISTS

are **ARTISTS**, **ART ADMINISTRATORS**, and **ART EDUCATORS** who are bound by the common purpose and passion of creating and **CONTEMPORARY ART** in Singapore.

**CONTEMPORARY ART** refers broadly to art that has been and continues to be created during our lifetimes. It spans across various genre that our Artists practice in.

**CORPORATE SOCIAL RESPONSIBILITY PROGRAMMES**

These programs are designed to enable participants to create art and craft works with beneficiaries of all ages.

## COMMUNITY ART

Our community art projects engage with residential communities to create collaboration between artists and citizens.
